

### APPARATUS 1

QLA's Basket Shafts are made from type 316 stainless steel and electropolished.

**All shafts have laser marked serial numbers for identification.**

**QLA carries the USP compliant Spring Clip style shafts as well as the Push on O-Ring style which is used with the DK Series baskets.**

All QLA basket shafts meet machine manufacturer specifications.

| QLA P/N          | Product Description                           | VanKel P/N   | Hanson P/N        | Distek P/N       |
|------------------|---|--|-------------------|------------------|
| <b>BSKSHT-13</b> | 13" Basket Shaft – Spring Clip Style          | <b>New QLA Innovated product used in VanKel applications</b> |                   |                  |
| <b>BSKSHT-15</b> | 15" Basket Shaft – Spring Clip Style          | <b>12-2070</b>   |                   |                  |
| <b>BSKSHT-19</b> | 19" Basket Shaft – Spring Clip Style          | <b>12-2080</b>   |                   |                  |
